PRAYER for OUR COUNTRY  Rabbi Ayelet Cohen

Our God and God of our ancestors, 
bless this country and all who dwell within it.
Help us to experience the blessings of our lives and circumstances,
To be vigilant, compassionate, and brave.
Strengthen us when we are afraid,
Help us to channel our anger, so that it motivates us to action.
Help us to feel our fear, so that we do not become numb.
Help us to be generous with others, so that we raise each other up.
Help us to be humble in our fear,
knowing that as vulnerable as we feel, 
there are those at greater risk, and
that it is our holy work to stand with them.
Help us to taste the sweetness of liberty,
To not take for granted the freedoms won
in generations past or in recent days.
To heal and nourish our democracy,
that it may be like a tree planted by the water
whose roots reach down to the stream; it need not fear drought when it comes,
its leaves are always green (Jeremiah 17:8).

Source of all Life,
Guide our leaders with righteousness,
Strengthen their hearts, but keep them from hardening.
That they may use their influence and authority to
speak truth and act for justice (Isaiah 16:3-5).
May all who dwell in this country
share in its bounty, enjoy its freedoms,
and be protected by its laws.
May this nation use its power and wealth
to be a voice for justice,
peace, and equality for all who dwell on earth.
May we be strong and have courage
To be bold in our action and deep in our compassion,
To discern when we must listen and when we must act,
To uproot bigotry, intolerance, misogyny, racism,
discrimination, and violence in all its forms,
To celebrate the many faces of God reflected
in the wondrous diversity of humanity,
To welcome the stranger and the immigrant
and to honor the gifts of those who seek refuge
and possibility here, as they have since
before this nation was born.
Let justice well up like waters, and righteousness
like a mighty stream (Amos 5:24)

Questions? Jesse Katz – jkatz@cbst.org
Antisemitism is on the rise in the US and globally. There are accusations of antisemitism on the left and on the right. So many of us assume we understand what it is. Is today's antisemitism the same as it was in Europe? What is the source of antisemitism? What is the relationship between antisemitism and white nationalism? What can we do about it? In this four-session class, we will explore the history and current expressions of antisemitism.
