PRAYER for OUR COUNTRY Rabbi Ayelet Cohen

Our God and God of our ancestors,

bless this country and all who dwell within it.

Help us to experience the blessings of our lives and circumstances,
To be vigilant, compassionate, and brave.

Strengthen us when we are afraid,
Help us to channel our anger, so that it motivates us to action.
Help us to be humble in our fear,
knowing that as vulnerable as we feel,
there are those at greater risk, and
that it is our holy work to stand with them.

Help us to taste the sweetness of liberty,
To not take for granted the freedoms won
in generations past or in recent days.

To heal and nourish our democracy,
that it may be like a tree planted by the water
whose roots reach down to the stream;
it need not fear drought when it comes,
its leaves are always green (Jeremiah 17:8).

Source of all Life,
Guide our leaders with righteousness,
Strengthen their hearts, but keep them from hardening.
That they may use their influence and authority to
speak truth and act for justice (Isaiah 16:3-5).

May all who dwell in this country
share in its bounty, enjoy its freedoms,
and be protected by its laws.

May this nation use its power and wealth
to be a voice for justice,
peace, and equality for all who dwell on earth.

May we be strong and have courage
To be bold in our action and deep in our compassion,
To discern when we must listen and when we must act,
To uproot bigotry, intolerance, misogyny, racism,
discrimination, and violence in all its forms,
To celebrate the many faces of God reflected
in the wondrous diversity of humanity,
To welcome the stranger and the immigrant
and to honor the gifts of those who seek refuge
and possibility here, as they have since
before this nation was born.

Let justice well up like waters, and righteousness
like a mighty stream (Amos 5:24)

A six-time entrant in the Grammy Awards, Neshama has sold over one million records, making her one of today’s best-selling Jewish artists. The Coronavirus (COVID-19) and CBST

Dear CBST Community,
We are living in difficult times. As a community, we must respond to the challenges we are given! The recent news about the coronavirus remind us that we are required by our Jewish tradition to do all we can to ensure the physical and spiritual health of our community. Therefore, following the Centers for Disease Control's guidelines, we are instituting the following practices for CBST. These practices make sense for basic health in the general flu season as well!

- Please no kissing or shaking hands! This will be the hardest for us at CBST; we love to kiss and hug. But in the interest of reducing transmission risk, and to develop new practices, please use your elbows to elbow touch rather than kissing or handshaking.
- When we connect for the motzi (blessing for the bread) at the end of the service, we will not hold hands.
- Wash your hands often with soap. The recommendation is to wash for 20 seconds (sing Happy Birthday 2x).
- If you use commercial hand sanitizer, make sure it is at least 60% alcohol-based--anything less is not helpful. We have a hand sanitizer dispenser in the lobby.
- Practice not touching your face.
- Stay home if you are sick!
- If you have children at home, please teach them these basic practices.

We will continue being a powerful spiritual community of resistance and love!

Wishing you all good health,

Yolanda Potasinski
